A Matter of Life and Death: A History of Football in 100 Quotations

By rewriting and or ignoring the original intent of the authors of the founding documents of America, a so-called politically correct movement has corrupted the American way by usurping every branch of our government and is turning our constitutional republic of free citizens into a socialist democracy that is subservient to the elitists of globalism.

Islands of Destiny: A History of Hawaii

This is a fantastic book and I look forward to many more in the series and am already looking for other books by this author. This is Book One of Sedgwick's best-selling young adult steampunk trilogy, and the first of eight titles set in his eclectic post-apocalyptic world of magic and steam.
