The paper will end with Betty Friedan's 'second stage' statements in which she makes suggestions for the next step that must be taken by women and men, that is, by society. I started to organize them by creating the pages on the administrative division like this one and then doing some cleanup of individual pages and eventually adding the population see Murovani Kurylivtsi Raion as one of the best examples. So maybe she didn't have a stellar Fortune career like Blake and some of the others from their house, but the little enterprise she, Georgie, and Sienna had set up was successful and fulfilling.
