The male affected with White Knight Syndrome ends up in a position similar to the friend zone, but this does not matter to him--he's being a good guy by offering an Attention Whore more attention. And if that person loves animals, especially cats, get them a copy of Black Cats Tarot by Maria Kurara.

Gendered Transformations: Theory and Practices on Gender and Media (European Communication Research and Education Association)

This special power of one-to-one influence has received much empirical support, even from the early communication studies, which found that argumentative speech had more influence face-to-face than on individuals in an audience. Prompted by the changes brought on by industrialization beginning in the midth century, slavery was no longer the most profitable source of labor for the expanding commercial interests.
