## **Bio-Identical Hormones and Telomerase: The Nobel Prize-Winning Research into Human Life Extension and Health**

For millennia, literature from a wide variety of geocultural areas has gathered knowledge about life, about survival, and about living together, without either falling into discursive or disciplinary specializations or functioning as a regulatory mechanism for cultural knowledge. The first immigration of the Grahams to this country, of which we have any account, occurred about the year to the exact date of which cannot now be known. It is, however, a matter of history that one Michael Graham settled in Paxtong Township, Lancaster County, Pennsylvania, about the date referred to and that he was a direct descendant of the Earl of Montrose, who was beheaded.
