There is no difference or distinction in things of equal value  
As use values, commodities are, above all, of different  
qualities, but as exchange values they are merely different  
quantities, and consequently do not contain an atom of use  
value. There are any number of people, it seems, willing to  
play the part of the bad tree; playing the good tree, it turns  
out, is harder than it looks, and its rewards are generally  
deferred far beyond our preferred timeline. This book is not  
yet featured on Listopia. The gate is completely impregnable.
