Deadly Phine: A Tale of Urban Terror

I get my most wanted eBook. Bellini and the Sphinx is the American debut for the wildly popular Sao Paulo-based crime series written by Bellotto, the celebrated Brazilian guitarist and writer.

When Miss Emmie was in Russia: English governesses before, during and after the October Revolution

Maybe it is fitting that the book is so hard to describe, since one of its main themes is the ineffable-ness of certain human experience. If education and training have been so strongly articulated to the world of work during the last six decades of their expansion through primary, secondary, and further technical and higher levels in countries around the globe, what happens when this articulation weakens, even breaks, for large sections of the population - young and old.

Wuthering Heights
